## terms & conditions

In consideration of the extension of credit by Sellers to Applicant, Applicant agrees to the following terms and conditions:

1. Upon approval of this Application, Sellers in their sole discretion, and notwithstanding any request of Applicant, will assign Applicant a maximum credit line and shall have the right to increase, decrease or terminate Applicant's credit privileges under this Application at any time without prior notice to Applicant, except as otherwise provided by law.
2. All purchases by Applicant of goods and/or services from Sellers will be made in accordance with the terms and conditions of this Application and any invoice and/or other documents evidencing Applicant's obligations to Sellers, all of which are incorporated herein by this reference. Applicant agrees and understands that Sellers, at their sole discretion, may change the terms and conditions of this Application.
3. Payment of the purchase price for goods and/or services acquired from Sellers shall be made pursuant to the terms set forth on each invoice and Applicant agrees to pay all charges according to the payment terms established in said invoice. The entire outstanding balance due to Sellers on all invoices shall become due in full immediately upon default in the payment of any invoice.
4. Applicant agrees to pay interest in the amount of 1½% per month, or the maximum rate that Applicant may lawfully contract to pay, whichever is less, and in all events calculated in accordance with applicable law, on any payment considered past due until collected. Applicant agrees to pay all costs of collection incurred by Sellers, including reasonable attorneys' fees and expenses, should a default in payment or any other obligation of Applicant occur.
5. This Application and all transactions between Applicant and Sellers shall be governed by and interpreted in accordance with the laws and decisions of the State of Michigan.
6. Applicant hereby agrees to immediately notify Seller of any sale of a significant portion of the assets or business of Applicant, or a sale of a substantial interest in the capital stock or other ownership interest of Applicant.

7. Applicant agrees to neither order nor accept goods from Sellers while Applicant is insolvent within the meaning of Section 1-201(23) of the UCC. Every order placed, or delivery accepted, while the Applicant is insolvent shall constitute a written misrepresentation of solvency to the Sellers within the meaning of Section 2-702(2) of the UCC.

8. If this Application is not approved in full or if any other adverse action is taken with respect to Applicant's credit with Sellers, Applicant has the right to request within 60 days of Sellers' notification of such adverse action, a statement of specific reasons for such action, which statement will be provided within 30 days of said request. The federal Equal Credit Opportunity Act prohibits creditors from discrimination against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided that the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance programs; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that administers compliance with this law concerning the creditor is the Federal Trade Commission, Washington, D.C.

9. Applicant irrevocably agrees and hereby consents and submits to the non-exclusive jurisdiction of any state or federal court located in the state where Sellers' operating company which provided this Application is located, without regard to the conflicts of law provisions thereof (the "Applicable State"), with regard to any actions or proceedings arising from, relating to or in connection with Applicant's obligations to Sellers or this Application. Applicant waives any right it may have to change the venue of any litigation brought against it by Sellers and further waives any right to trial by jury. Applicant hereby (a) agrees that Sellers may, at Sellers' sole option, require Applicant to arbitrate any controversy or claim arising out of or relating to this Application, any credit extended by Sellers to Applicant or any other issue with the American Arbitration Association in accordance with its Commercial Arbitration rules and any judgment or award rendered in connection therewith shall be entered in any court having jurisdiction thereof, (b) consents to the Arbitration in the Applicable State, and to the application of Michigan law with the exception of Michigan conflicts of laws rules, and (c) agrees to pay all cost and expenses in connection with the arbitration, including, but not limited to, arbitrators' fees, administration fees and attorneys' fees.
